AIRBUS SUPPLIER APPROVAL

Further to the evaluation of your company by Airbus, we are pleased to inform you that

Inter Informatics

Situated at: - Address detailed overleaf

Is approved by Airbus as satisfying the requirements of Airbus General Procurement Approval process for the supply of Design Engineering Services as required with AP2131 Module 5.1.

The Airbus approval number (generated by the Foundation system) allocated to your company is identified overleaf. This number should be quoted on all relevant documents.

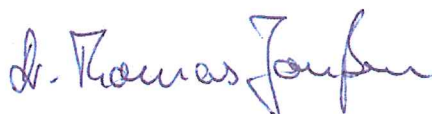

This Approval covers the Scope of Work for each Address detailed overleaf.

The approval is dependant on your continued compliance with Airbus General Procurement Approval process and other supplementary instructions issued by Airbus.

Should you at any time be requested to undertake work for Airbus, which is outside the scope of your approval, you are required to notify your Airbus point of contact, in order that suitable quality arrangements may be made.

This approval may be withdrawn at any time at the discretion of Airbus.

Yours faithfully,

Dr. Thomas Jousen
